Front Porch Announces Ed Salvador to Join Leadership Team as New CFO

GLENDALE, Calif., September 28, 2017 – Front Porch, a not-for-profit organization serving individuals and families through full-service retirement, active adult and affordable housing communities announced today Ed Salvador, an experienced financial executive, will join the company’s leadership team as Chief Financial Officer on October 2, 2017.

Salvador brings more than 25 years of broad range progressive leadership of diverse management teams, both with for-profit and not-for-profit organizations. His vast experience in a highly competitive marketplace of healthcare organizations and community hospitals spans financial reporting, revenue cycle management, payor contract negotiations, program performance assessment, operations improvement strategies and development of information systems.

“Ed’s impressive leadership qualities along with his finance and project management background make him an excellent fit for Front Porch and its collaborative culture,” said Front Porch Chief Executive Officer John M. Woodward. “He brings a strong awareness of quality and customer experience with a focus on business performance.”

“An experienced healthcare leader, Ed’s deep knowledge and background in the not-for-profit world and the healthcare industry make him the right choice as our new CFO,” said Front Porch President Roberta Jacobsen. “We are excited to have Ed join our team.”

Salvador joins Front Porch after serving as CFO for St. Jude Medical Center, a ministry of St. Joseph Health System, a multifaceted integrated healthcare organization providing a comprehensive spectrum of sophisticated services designed to heal the minds, bodies and spirits of those in need. Previously, Salvador served as CFO for Tenet Healthcare at Garden Grove Hospital Medical Center and Community and Mission Hospitals of Huntington Park, where he directed all financial activities for the investor-owned company.

Salvador graduated from the University of California, Irvine, with a master’s degree in business administration, following his bachelor’s degree in business administration with an emphasis in finance from California State University, Long Beach. Salvador previously served as a board member of AccessOC, a non-profit providing access to outpatient surgeries for the medically uninsured population of Orange County. He is also associated with the Healthcare Financial Management Association (HFMA) and the American College of Healthcare Executives (ACHE). He is a resident of Yorba Linda, Calif.
