GOLF TOURNAMENT

The Front Porch Communities Foundation Celtic Cup Golf Tournament bring together golf enthusiasts, aging services industry professionals, business partners and supporters for a day of fun and philanthropy to benefit vulnerable older adults. Funds raised benefit the isolated and low-income seniors served through Front Porch's Community Services division, which focuses on four areas of impact for low-income and at-risk seniors: food security, stable housing, creative engagement and social connection.

The event will feature a great day on the course overlooking the San Francisco Bay and the Golden Gate Bridge followed by a cocktail reception. Attendees will have the opportunity to network with industry peers, Front Porch board members and the Front Porch executive team, including CEO Sean Kelly.
